

In the Specification:

Please replace the paragraph beginning on page 8 line 11 with the following replacement paragraph:

Processing system 14 includes one or more processors, such as a central processor and optionally one or more other processors designed to perform a particular function or task. It is typically processing system 14 that executes the instructions provided on computer readable media, such as on memory 16, a magnetic hard disk, a removable magnetic disk, a magnetic cassette, or an optical disk, ~~or from a communication connection, which may also be viewed as a computer-readable medium.~~
